

MANAGE. MAINTAIN. SUSTAIN.

Fully-integrated facility services provider for all your property management and maintenance needs.

## COMPANY PROFILE

Our story began in 1999 when we started in the garden service industry. With big dreams of enhancing more peoples' environments, and the investment in our people drove the expansion and success of our business, turning it into a turn-key solution company with a comprehensive range of integrated soft and hard service solutions.

Today, we have more than 20 years of award-winning experience in managing and maintaining all of your office and facility needs.

- ◆ Landscape Construction & Garden Maintenance,
- ◆ Security,
- ◆ Cleaning & Hygiene,
- ◆ Pest control, and
- ◆ Maintaining all of your Office & Facility needs.

**FSG will ensure you get excellent service and extensive expertise when working on your projects that stay well within your budget.** We continue to enhance environments throughout South Africa to our clients' exact specifications and requirements. Whether it's a beautiful garden in your office park, keeping your office safe and pristine, or large scale security systems, we have the experience and are well equipped to assist you on any project, no matter the size.

You are in good hands knowing that we are capable of providing seamlessly integrated services that compliment your workspace and are tailor-made to your requirements, nationwide. Our team's vast experience allows you to get on with your business, while we take care of your facility needs.

MANAGE. MAINTAIN. SUSTAIN.

## Our Vision & Mission

**At FSG, we believe in excellent customer service, coupled with state-of-the-art equipment and the upskilling of our people.**

Our **vision** and **mission** are to meet and exceed our clients' needs by offering tailor-made services for all facility management and maintenance requirements. We offer fully-integrated services based on individual needs coupled with our years of experience.

FSG has proudly achieved Level 2 BBBEE status through a continuous commitment to the upliftment of the community while sustaining and maintaining the environments, and are particularly proud of our group's focus on the advancement of black female leaders
